## FOUR TEAMS READY TO BATTLE IT OUT FOR THE COVETED TROPHY

---

Four teams from four different countries travel to Budapest for the 10th edition of the EHF FINAL4 Women on 1/2 June 2024. MVM Dome in the Hungarian capital once again provides the centre stage for what promises to be yet another tantalising final tournament as Team Esbjerg, Györi Audi ETO KC, Metz Handball, and SG BBM Bietigheim all *dare to rise* to the occasion and aim to lift the trophy as the EHF Champions League 2023/24 winners.

The 31st season of the EHF Champions League Women started its group phase in September 2023 with 16 teams, all hopeful to embark on an extensive 2023/24 adventure.

However, the strength and depth of the field in Europe's topflight competition has made for a challenging Golden Road to Budapest as only four of the 16 teams could stamp their EHF FINAL4 ticket.

Among the casualties were both finalists from last season: three-time champions Vipers Kristiansand saw their title defence come to end in the quarter-finals, as Györi Audi ETO advanced on goal difference after both teams had won the away leg.

And last year's runners-up FTC-Rail Cargo Hungaria had their dream of a return to the EHF FINAL4 shattered by a home and an away defeat against Team Esbjerg in the quarter-finals.

Now, either Györ or Esbjerg will make it to this year's final, as they meet in the first semi-final on Saturday 1 June at 15:00 CEST. Györ are the record five-time champions, and the Hungarian side strives for their first title since 2019. Esbjerg appear in Budapest for the third straight season as the Danish outfit aim for their maiden topflight final, having played two EHF Cup finals in the past.

The second semi-final, on Saturday 1 June at 18:00 CEST, pits Metz against Bietigheim. Just like Esbjerg, Metz are competing in their third EHF FINAL4 and the French team also eyes their first final in the EHF Champions League.

Bietigheim are newcomers to the EHF FINAL4 – in fact, they had not been to the quarter-finals before. The German side only made the knockout phase as the sixth-ranked team from their group, but then impressed with wins over two strong Danish opponents in the play-offs and the quarter-finals.

All handball fans, whether they are at the arena or follow the event from home, can look forward to two intense days full of drama and excitement. Enjoy the EHF FINAL4 Women 2024!

## WHAT HAPPENS IN CASE OF A DRAW AFTER 60 MINUTES

All matches of the EHF FINAL4 Women 2024 shall be played in 2 x 30 minutes with a half-time break of 15 minutes.

If a semi-final match or the final (place 1/2) ends in a draw, there will be a five-minute break followed by one overtime of 2 x 5 minutes and a one-minute half-time break for the changeover of teams.

If the 3/4 placement match ends in a draw, there shall be no overtime and the match will be decided directly by penalty shots.

### RULES FOR EXECUTION OF PENALTY SHOTS

If penalty shots are needed to decide the match, the procedure is as follows:

> Prior to the penalty throws, each team shall name five players eligible to play at the end of the match by handing the referees a list of numbers. These players shall then

take one shot each, alternating with their opponents. Each team is free to determine the sequence in which players will take their shots.

> The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the Game. Goalkeepers may take shots and players may perform as goalkeepers.

> At the Technical Meeting the teams will be informed at which goal the penalty shots will be taken. The team taking the first penalty shot shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to shoot first or last.

> If the scores are equal after the first round of penalty shots, it shall be continued until a decision is reached. In the second round, the other team shall start. Again five players shall be named who are eligible to play (the players named before may be named once again).

> In the second round, a decision is reached when a goal difference arises after both teams have taken one shot each.

> Eligible players are players entered in the match report that have not been disqualified or suspended at the time of the final whistle.

> Serious infractions committed during penalty shots shall be sanctioned by disqualification. If a shooter is disqualified or suffers an injury, an eligible substitute player shall be supplementary named.

> While the shots are taken, only the player taking the shot, the current goalkeeper and the referees may enter the respective half of the playing court.

> If the number of eligible players falls below five, players may be named to take a second shot in the same round.
