# EHF Master Coach Course 2027

**Target Group**

- Coaches in national first division
- Coaches of younger age national teams
- Coaches of clubs participating in a European competitions

All participants are only eligible if they fulfil the entry criteria mentioned in section “conditions”

**(RINCK Convention 2024 update)**

• **Advanced technique, tactics and methodology** aligned with modern international handball demands and competence-based development principles.
• **Game and training analysis** using updated performance-analysis tools, evidence-based feedback methods and situational competence requirements.
• **Coaching theory, leadership and communication** reflecting RINCK 2024’s emphasis on contextual coaching, coach philosophy, and individualised development.
• **Sport-psychological aspects** focusing on mental performance, resilience, and coach–player interaction at the highest international level.
• **Competition and training management** including load monitoring, regeneration, stress control, and season planning integrated with scientific support.
• **Applied sport-scientific knowledge** (training science, sports medicine, performance diagnostics) embedded into competence-based coaching practice.
• **Current goalkeeper-training trends** recognised as a key specialisation area within the new Specialisation & Consolidation pathway.
• **Specialisation pathways** and individual coach-development strategies in line with “RINCK” 2024 (e.g., goalkeeper, youth, analysis, or elite coaching), including recognition of prior experience.

**Dates/Structure**
The course comprises a minimum of 175 teaching units, takes place from May 2027 to July 2028 and is divided into 3 on-site modules as well as individual self-learning before and between the on-site modules:

| | | | |
|---|---|---|---|
| 1. | Module: | EHF FINAL4 Women 2027 / Budapest, Hungary | 24.05. – 30.05.2027 |
| 2. | Module: | Men's EHF EURO 2028 / Valencia, Spain | 17.01. – 23.01.2028 |
| 3. | Module: | TBD | TBD |

**Experts**
The team of experts consists of experienced EHF Experts, international top coaches, EHF Master coaches as well as experts in the field of sport management, sport medicine, sport psychology and communication.

Furthermore the active involment of the participants forms an integral part of the course which enables all coaches to share and reflect on their abilities.

**Costs**
The total costs of the course amount to € 4250,- for the whole course and include:

- Course materials
- Access to EHF Events ( tickets for the specific EHF competition)
- Transportation during the course hours
- Meals during the course (lunch, dinner)
- EHF Master Coach Title and EHF PRO License (given successful completion)

**Participants**
The number of participants is limited to 25. The selection of eligible participants follows a first come first served principle, if the entry conditions are met.

**Conditions**
Following the EHF RINCK Convention coaches are only allowed to participate with

- a coaching education certificate on Level III according to the EHF RINCK Convention
- a minimum of 3 years experience since the completion of the Level III education (date on official coaching certificate will be taken into consideration)

**Registration**

Registration is possible until 05.12.2026 via
**https://events.ehf.eu/master_coach_course_2027**

The EHF will only take complete applications into consideration.

The applicants might be subject of further procedural steps and will be informed accordingly by the EHF Office.
