I IMPORTANT REGULATIONS

WHAT HAPPENS WHEN A MATCH ENDS IN A DRAW IN THE REGULATION TIME

All matches of the EHF FINAL4 Men 2022 shall be played in 2 x 30 minutes with a half-time break of 15 mins.

If a Semi-final match or the Final (place 1/2) ends in a draw, there will be a five-minute break followed by one extra time of 2 x 5 minutes, there will be a one minute half-time break for the change-over of teams.

If the 3/4 placement match ends in a draw, there shall be no extra time, the match will be decided directly by penalty throws.

If penalty throws are needed to decide the match, the procedure is as follows:

- Prior to the penalty throws, each team shall name five players eligible to play at the end of the match by handing the referees a list of numbers. These players shall then take one throw each, alternating with their opponents. Each team is free to determine the sequence in which throwers will take their throws.
- The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the Game. Goalkeepers may take throws and throwers may perform as goalkeepers.
- At the Technical Meeting the teams will be informed at which goal the penalty throws will be taken. The team taking the first penalty throw shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to throw first or last.
- If the scores are equal after the first round of penalty throws, it shall be continued until a decision is reached. In the second round, the other team shall start. Again five players shall be named who are eligible to play (the players named before may be named once again).
- In the second round, a decision is reached when a goal difference arises after both teams have taken one throw each.
- Eligible players are players entered in the match report that have not been disqualified or suspended at the time of the final whistle.
- Serious infractions committed during penalty throws shall be sanctioned by disqualification. If a thrower is disqualified or suffers an injury, an eligible substitute player shall be supplementary named.
- While the throws are being taken, only the player taking the throw, the current goalkeeper and the referees may enter the respective half of the playing court.
- If the number of eligible players falls below five, players may be named to take a second throw in the same round.
